Article 1.1: Process for placing orders and formation of the contract

The Purchaser may make his/her Experience Gift Purchases online via www.smartbox.com/ie.

The procedure for placing orders on the Site includes, in particular, the following steps:

- The Purchaser selects one or more Experience Gifts on the Site;
- The Purchaser is then asked to choose the format of his/her Experience Gift as well as the method of delivery (only for physical boxes). The Purchaser will also have the possibility to enter a promotional code, if applicable;

- To continue his/her order, the Purchaser must:
 - - either proceed with an order in “guest” mode, without having created an account, by completing the fields required for sending his/her order; or
 - - proceed with an order by creating/connecting to his/her account by clicking on the link provided for such purpose.

The opening of an account automatically gives access to a personal space allowing the Purchaser to manage his/her orders, any Experience Gifts and/or Smartbox credits, his/her exchanges of Experience Gifts as well as personal information entered in his/her personal space. The Purchaser guarantees in this regard that all information that he/she provides to Smartbox will be accurate, up-to-date and not misleading. He/she undertakes to update this information through his/her personal space in case of changes. The Purchaser is informed and accepts that the information entered for the purpose of creating or updating his/her account shall constitute proof of his/her identity. Information entered by the Purchaser shall be binding on him/her from its validation.

The Purchaser also undertakes to ensure that the confidentiality of the personal login and password is maintained. Any intervention carried out with the Purchaser’s login and password shall be deemed to have been carried out by him/her with the Purchaser remaining solely liable. The Purchaser therefore expressly holds Smartbox harmless in the case of misuse or fraudulent use by third parties of elements of his/her identification and or his/her account. In case of loss, theft or any fraudulent use of his/her login details or passwords, the Purchaser must immediately inform Smartbox in order to obtain a replacement.

- Following the Purchaser's selection, a summary of all of the choices the Purchaser has made and total price of the selected Experience Gifts, contact details, any shipping costs and method of payment, will appear on his/her personal space and the Purchaser will be allowed to check the details of his/her order and make any necessary changes before the confirming his/her order.
- Confirmation of the order shall take place after acceptance of these Terms of Sale, effected by a box to be ticked in the registration form, and after a second click on the validation button provided for such purpose (“Validate and pay”). The sale will only be considered as final after acceptance of the means of payment used and receipt of the full price by Smartbox.

For payments by bank card, the contract shall only be finally concluded on acceptance of the payment by the bank.

Upon final validation of the order, Smartbox will send an email order confirmation to the Purchaser including all relevant information regarding the said order. By printing and/or keeping this email, the Purchaser has a means of evidencing of his/her order. In the event of an E-box order, the Purchaser will automatically receive a copy of the gift voucher if he is not the Beneficiary thereof.
